Read the paragraph given below and write the names of animals and birds in the passage.

A rabbit and a turtle were racing together. Fox was the umpire. Lion, tiger, cow, monkey and elephant were watching the race. Soon crow, owl, peacock, hen, sparrow and parrot also came to see the race. Rabbit reached near the final place very soon. Turtle was very slow.

Rabbit slept under the tree. In the meantime, turtle reached the final place and won the race.
